2.) I am an individual associated with the University of Chicago

3.) Please summarize why the case information from the Public Access to Court Electronic Records (PACER) service is needed and how it will be used. Also, please explain why an exemption from the courts identified is necessary. If you need more space, please provide in an attachment.

I am a Ph.D. student at the University of Chicago studying consumer bankruptcies. In particular, I research the efficacy of consumer bankruptcy audits introduced in Paragraph 603 of the Bankruptcy Abuse Prevention and Consumer Protection Act (BAPCPA) of 2005. For this research, I need to access dockets and audit opinions submitted to the court. To ensure that my research preserves the privacy of individuals, a large sample size is desirable, which requires me to access many dockets and download several hundred audit opinions. I have previously obtained a fee exemption for this project which enabled me to propose my dissertation. I restricted my collection to information required for my proposal only. My dissertation committee has requested a few changes to my dissertation which requires me to collect additional features of the already accessed cases. To be able to complete my dissertation defense and publish my dissertation, I am requesting an extension to the obtained fee exemption.

4.) In support of this application, I affirm the following:

- a) An exemption from the Judicial Conference's EPA Fee is necessary in order to avoid unreasonable burdens and to promote public access to information.
- b) That the exemption will be for a definitive period of time: June 30, 2025
- c) I understand that this fee exemption will apply only to me, will be valid only for the purposes stated above, and will apply only to the electronic case files of the court(s) indicated above that are available through the PACER service.
- d) I agree that any data received through this exemption will not be sold for profit, will not be transferred, will not be used for commercial purposes, and will not be redistributed via the Internet.

Declaration: I declare that all the above information is true and understand that a false statement ☒ may result in termination of my exempt access and an assessment of Electronic Public Access usage fees. (The box must be marked or your request will not be considered)
